

Jericho Underhill Land Trust monthly meeting – April 4, 2016

Board members: John Koier, Phyl Newbeck, John Schroeder, Livy Strong, and Hilaire Thomas

Guest: Grace Nelson

The JULT board discussed putting up new signage at Wolfrun Natural Area. We will have signs at the north and south entrances, labelled as such, and also put up new signs with our rules which include no trapping, motorized vehicles, bicycles, horses, camping or open fires. Great blue herons have been spotted nesting at Wolfrun.

The Board discussed a number of upcoming events including:

- Our annual meeting on May 2 at Underhill Town Hall with Sue Morse
- Our annual bird talk on May 19 at Deborah Rawson Memorial Library with Evergreen Erb
- Our annual bird walk on May 21 at Mills Riverside Park with Evergreen Erb
- A walk on June 4 at Wolfrun Natural Area to look at the land that has recently been logged to see what is growing.
- A cairns walk at Wolfrun to be scheduled this summer with Joanna Carpenter

We hope to see many of you at our annual meeting. We'll have a meet and greet with refreshments at 6:30 followed by a short meeting at 7:00 p.m. after which we'll have a multi-media presentation by Sue Morse. This will be a waste-free event so please bring your own mugs and plates.
